A Free, Family-Friendly Craft Workshop at Huntington Free Library

(Bronx, NY – March 5, 2012) The Bronx Council on the Arts (BCA) and the Huntington Free Library (HFL) present a family-friendly, hands-on “Recycle Art” craft workshop with Star Nigro on Saturday, March 17, from 12:30 to 3:00 pm at the Huntington Free Library (9 Westchester Square, next to the Apple Savings Bank). This workshop is free and open to the public. All are welcome.

Go green and create a nature-based art collage with artist Star Nigro as she shows you cool and clever ways to make great eco art. Join Ms. Nigro and learn to construct a masterpiece by creatively recycling old & new elements. Making eco-logical art is fun for everyone!

Star Nigro is talented, multi-faceted photographer whose vision and understanding of the human spirit, along with her capacity to capture beauty, forms her base to create new mediums from jewelry to photo sculpture.

Star is a native of Woodstock, New York -- the colony of the arts -- where she currently resides and keeps a studio. Her interest in photography was a result of her fascination with drawing, sculpting and painting and her combined exploration of all three.

Ms. Nigro graduated with a B.F.A in photography from the Art Institute of Boston at Lesley College. Her work has received exceptional reviews in various newspapers. Learn more about Star Nigro and her work at www.starnigro.com.
