

Mayor Mike sure gets around. On April 4th he was in the **Bronx**, where **Chase** donated an \$850k, **5,200 SF** former **Washington Mutual** branch at **2700 E Tremont Ave** to the **Bronx Council on the Arts (BCA)**, giving residents a new arts and cultural center in Westchester Square. Renovations on the building—which is nearly **double the size** of the organization's current space on **Hone Ave**—will be completed next year. Above, he joins NYC Small Business Services commissioner **Rob Walsh**, NYC council member **James Vacca**, Congressman **Joe Crowley**, BCA exec director **Deirdre Scott**, Chase EVP **Charles Scharf**, and BCA chair **Charles Rice Gonzalez**.
