BRIO awardees must complete a one-time public service activity to receive their complete cash award. Known as the ACE (Artists for Community Enrichment), this activity is an essential component for all BRIO recipients and must be performed within the one-year period of their award. The ACE provides artists

with additional visibility and demonstrates to the community the wealth of artistic talent available in our borough.

Since its inception in 1989, BRIO has provided support for the artistic development of Bronx artists. Over the years, more than \$800,000 has been awarded to 285 artists. The selection of the awardees is based solely on the artistic excellence of the work submitted and judged anonymously by a panel of professional artists (different panelists each year) from outside the Bronx and working in each respective field. Over its 24 years, BRIO has grown from ten annual awards of \$1500 to 25 annual awards of \$3,000. The Bronx has the unique distinction of being the only borough in New York City to have an ongoing fellowship awards for artists.
