Bronx beat

Bronx Council on the Arts Creative Learning Academy

The Bronx Council on the Arts has launched a Creative Learning Academy — an affordable and accessible way to develop skills and to explore interests in the arts.

The single- and multiple-session workshops will be held at Hostos Community College, beginning October 2013, as part of Hostos' Continuing Education program.

Sessions will be taught by BCA's BRIO (Bronx Recognizes Its Own) award-winning artists and are designed to whet creative appetites and nourish creative voices.

Aspiring writers and beginners are all welcome. Note: Space is very limited. To register, call 718-518-6656 or e-mail cedu@hostos.cuny.edu.

For additional information, please contact bronx-writers@bronxarts.org.
