Senior Center Narrative

Please describe the culture and activity of your center. What is it like on a daily basis? How would you characterize your senior members' level of energy and engagement?

A dynamic, accessible and appealing community focal point, Guess Senior Center offers daily services, which include a meal program, a variety of educational and recreational activities, case assistance, health promotion and volunteer opportunities. Our senior members are vibrant individuals that welcome the opportunity to be involved in programs that interest them.

How do you believe the SU-CASA program would benefit your members and your center? What do you hope to gain?

The SU-CASA program will provide the opportunity for our senior members to work with professional artists and enhance their knowledge of the arts. Many of them may have hidden talents within the arts. We look forward to increasing our participants' confidence in sharing what they have learned or practiced at the public event.

What is the best way to introduce new programs at your center? How would you work with the SU-CASA arts partner to introduce the program to your center and recruit members to participate?

We can schedule a day for the SU-CASA artist to come and present the program to the members during lunch hour, which is when we have the biggest crowd. The artist would be able to display samples of their work. Center staff would continue to encourage members to participate in the program through announcements during lunch hour, posting flyers and including the program's schedule in our monthly calendars.
