The Bronx Council on the Arts (BCA) has been the borough's officially designated cultural agency for over 45 years, providing quality cultural constituency. BCA's mission is to encourage and increase public awareness and participating in the arts and to nurture the development of artists and cultural organizations.

This event is made possible with funds from NYC Dept of Cultural Affairs, New York State Council on the Arts, Carnegie Corporation, The Scherman Foundation, New York City Department of Small Business Services, and Council Member Maria del Carmen Arroyo.
