ARTS ON THE BLOCK

Grant Amount: up to \$750

Bronx Council on the Arts Community Engagement Grants aim to contribute to the cultural life of the borough through their support of community-based, high-quality arts projects in all disciplines, genres, and styles.

The Bronx Council on the Arts (BCA) **Arts on the Block** is a grassroots initiative designed to support small local organizations and block associations to increase attendance to their neighborhood block parties and/or single block festivals. A limited number of small grants of up to \$750 are available through this initiative. Funds are specifically earmarked for arts activities open to all block party and single block festival participants and can only be used for artist fees. (Examples include DJ's, spoken word artists, musicians, singers, dancers, etc., or other artists whose activities will enhance block party attendance.) The initiative is especially focused on supporting the work of organizations that are new to BCA and could become future grantees for arts programs. Therefore, preference will be given to smaller organizations and those who have not applied for a grant from BCA in the past. **Funded activities must take place between May 1, 2022 and December 31, 2022.**

BASIC ELIGIBILITY FOR ARTS ON THE BLOCK GRANTS:

Review Criteria

The Bronx Council on the Arts (BCA) is committed to funding a diverse array of artists and arts activities throughout the Bronx. The emphasis of Arts on the Block is on artist activities that take place at local block parties or single block festivals and that contribute to the cultural life of the neighborhood. Priority is given to organizations that are new to BCA and could become future grantees for arts programs.

Arts on the Block funding decisions are made by panels of Bronx residents selected and trained by BCA. To create a fair and impartial environment, BCA selects panelists that represent a range of ethnicities, genders, ages, neighborhoods, artistic mediums and artistic styles from across the borough. Panels recommend a level of funding according to the following equally important criteria:

- Overall quality and clarity of application narrative.
- Demonstrated audience and community benefit to be derived from the project.
- Non-duplication of similar events in the neighborhood.
- Clearly defined ability to successfully complete the project.
- Artistic merit of the proposed arts activity.

Grantee Responsibilities

BCA grant awardees are recipients of public funding and are subject to the responsibilities that it brings.

Arts on the Block grantees must:

- Sign an agreement with BCA, stipulating the amount of the award and the details of the block party/single block festival.
- Include the appropriate credit line and BCA logo on any promotional materials for the event. Exact wording will be provided in the contract.
- Provide BCA with copies of project-related publicity and promotional materials at least three weeks in advance of the funded event.
- File a Final Report by January 31st, 2023.
- **In the event of rain:** grantee agrees to engage an artist in another community event free and open to the public by December 31st, 2022.

Appeals

The appeals process is intended for situations in which the applicant believes a serious administrative error was made that denied them a fair hearing of their proposal. Applicants should only initiate an appeal if, after discussing panel notes with BCA Grants staff, they have reason to believe that one of the following occurred at the panel:

- Non-presentation of pertinent information that was included in the application.
- Misrepresentation of pertinent information.
- Improper procedure.

An applicant not awarded funding by the Grants panel who wishes to appeal must initiate a formal appeal, in writing, to the Grants Director within 10 business days after the date of the denial letter. Organizations or block associations that receive funding at less than the requested amount are not eligible to appeal.
