In 2018, the Bronx Council on the Arts launched its much awaited Youth Arts Engagement Program at Longwood Art Gallery@Hostos. This initiative seeks to increase Bronx youth's awareness of local arts, while encouraging youth to embark on a life of ongoing culture engagement they can relate to. Youth benefit from free, age appropriate art activities that foster critical thinking and public presentation skills. Conversations and Q&A with artists-who often reside in the same neighborhoods as the youth, and who share similar racial and cultural identities, as well as nations of origin-address relevant cultural identity themes and social justice issues familiar to local youth.

Funding for this program was made possible by: the New Yankee Stadium Community Benefits Fund Inc., New York City Department of Cultural Affairs in partnership with the City Council, New York State Council on the Arts, and the National Endowment for the Arts
